18. LIMITATIONS OF LIABILITY AND DAMAGES

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL iTransact BE LIABLE FOR ANY DIRECT, INDIRECT, PUNITIVE, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA, OR OTHER INTANGIBLE LOSSES, THAT RESULT FROM THE USE OF, INABILITY TO USE, OR UNAVAILABILITY OF THE SERVICE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE TOTAL LIABILITY OF iTransact IS LIMITED TO THE GREATER OF (A) THE AMOUNT OF FEES EARNED BY US IN CONNECTION WITH YOUR USE OF THE SERVICES DURING THE THREE (3) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM FOR LIABILITY, OR (B) \$500.

THIS LIMITATION OF LIABILITY SECTION APPLIES WHETHER THE ALLEGED LIABILITY IS BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER BASIS, EVEN IF iTransact HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THE FOREGOING LIMITATION OF LIABILITY WILL APPLY TO THE FULLEST EXTENT PERMITTED BY LAW IN THE APPLICABLE JURISDICTION.

19. THIRD PARTY PRODUCTS

All third party hardware and other products included or sold with the Services are provided solely according to the warranty and other terms specified by the manufacturer, who is solely responsible for service and support for its product. For service, support, or warranty assistance, you should contact the manufacturer directly. iTransact MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO SUCH THIRD PARTY PRODUCTS, AND EXPRESSLY DISCLAIMS ANY WARRANTY OR CONDITION OF MERCHANTABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE.

20. DISPUTES

“Disputes” are defined as any claim, controversy, or dispute between you and iTransact, its processors, suppliers or licensors (or their respective affiliates, agents, directors or employees), including any claims relating in any way to these Terms of Service, any Additional Terms, or the Services, or any other aspect of our relationship.

21. BINDING INDIVIDUAL ARBITRATION

You and iTransact agree to arbitrate any and all Disputes by a neutral arbitrator who has the power to award the same damages and relief that a court can. ANY ARBITRATION UNDER THESE TERMS OF SERVICE WILL ONLY BE ON AN INDIVIDUAL BASIS; CLASS ARBITRATIONS, CLASS ACTIONS, PRIVATE ATTORNEY GENERAL ACTIONS, REPRESENTATIVE ACTIONS AND CONSOLIDATION WITH OTHER ARBITRATIONS ARE NOT PERMITTED. YOU WAIVE ANY RIGHT TO HAVE YOUR CASE DECIDED BY A JURY AND YOU WAIVE ANY RIGHT TO PARTICIPATE IN A CLASS ACTION AGAINST iTransact. If any provision of this arbitration agreement is found unenforceable, the unenforceable provision will be severed, and the remaining arbitration terms will be enforced (but in no case will there be a class or representative arbitration). All Disputes will be resolved finally and exclusively by binding individual arbitration with a single arbitrator administered by the American Arbitration Association (<https://www.adr.org>) according to this Section and the applicable arbitration rules for that forum. Consumer claimants (individuals whose transaction is intended for personal, family, or household use) may elect to pursue their claims in their local small-claims court rather than through arbitration so long as their matter remains in small claims court and proceeds only on an individual (non-class or non-representative) basis. The Federal Arbitration Act, 9 U.S.C. §§ 1-16, fully applies. If you are a consumer bringing a claim relating to personal, household, or family use, any arbitration hearing will occur within the county where you reside. Otherwise, any arbitration hearing will occur in Chicago, Illinois, or another mutually agreeable location. The arbitrator’s award will be binding on the parties and may be entered as a judgment in any court of competent jurisdiction. We will pay the arbitration fees due to the American Arbitration Association for individual arbitrations brought in accordance with this section. If you prevail on any claim for which you are legally entitled to attorney’s fees, you may seek to recover those fees from the arbitrator. For any claim where you are seeking relief, we will not seek to have you pay our attorney’s fees, even if fees might otherwise be awarded, unless the arbitrator determines that your claim was frivolous. For purposes of this arbitration provision, references to you and iTransact also include respective subsidiaries, affiliates, agents, employees, predecessors, successors and assigns as well as authorized users or beneficiaries of the Services. Subject to and without waiver of the arbitration provisions above, you agree that any judicial proceedings (other than small claims actions in consumer cases) will be brought in and you hereby consent to the exclusive jurisdiction and venue in the state courts in the County of Cook, Illinois or federal court for the Northern District of Illinois.

22. GOVERNING LAW

These Terms of Service and any Dispute will be governed by Illinois law and/or applicable federal law (including the Federal Arbitration Act) as applied to agreements entered into and to

be performed entirely within Illinois, without regard to its choice of law or conflicts of law principles.

23. LIMITATION ON TIME TO INITIATE A DISPUTE

Any action or proceeding by you relating to any Dispute must commence within one year after the cause of action accrues.

24. ASSIGNMENT

These Terms of Service, and any rights and licenses granted hereunder, may not be transferred or assigned by you and any attempted transfer or assignment will be null and void.

25. THIRD PARTY SERVICES AND LINKS TO OTHER WEB SITES

You may be offered services, products and promotions provided by third parties and not by iTransact ("Third Party Services"). If you decide to use Third Party Services you will be responsible for reviewing and understanding the terms and conditions for these services. We are not responsible for the performance of any Third Party Services. The Services may contain links to third party websites. The inclusion of any website link does not imply an approval, endorsement, or recommendation by iTransact. Such third party websites are not governed by these Terms of Service. You access any such website at your own risk. We expressly disclaim any liability for these websites. When you use a link to go from the Services to a third party website, our Privacy Policy is no longer in effect. Your browsing and interaction on a third party website, including those that have a link in the Services is subject to that website's own terms, rules and policies.

26. OTHER PROVISIONS

These Terms of Service, and any applicable Additional Terms or Policies, are a complete statement of the agreement between you and iTransact regarding the Services. In the event of a conflict between these Terms of Service and any other iTransact agreement or Policy, these Terms of Service will prevail and control the subject matter of such conflict. If any provision of these Terms of Service or any Additional Term is invalid or unenforceable under applicable law, then it will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law, and the remaining provisions will continue in full force and effect. These Terms of Service do not limit any rights that we may have under trade secret, copyright, patent, or other laws. No waiver of any term of these Terms of Service will be deemed a further or continuing waiver of such term or any other term.

27. PAYMENT TERMS

By using iTransact ("iTransact," "we," "our," or "us") payment processing services ("Payment Services"), you agree to be bound by the Terms of Service, these additional terms and conditions ("Payment Terms") and all other terms, policies and guidelines applicable to the Services used. If you are using the Payment Services on behalf of a business or organization, that business or organization accepts these terms. Payment Services may only be used for business purposes in the fifty states of the United States of America and the District of

Columbia. Defined terms will have the same meaning as those found in the Terms of Service, unless otherwise re-defined herein.

27-1. Our Role

iTransact is a payment facilitator that allows you to accept Cards from customers for the payment for goods and services. We are not a bank and do not offer banking services as defined by the United States Department of Treasury. Our Payment Services allow you to accept payments from any US-issued and most non-US issued credit, debit, prepaid, or gift cards (“Cards”) bearing the trademarks of American Express Travel Related Services Company, Inc. (“American Express”), DFS Services, LLC (“Discover”), MasterCard International Inc. (“MasterCard”) and Visa Inc. (“Visa”) (collectively, the “Networks”). You are not required to accept any card brand as a condition of receiving the Payment Services. We may remove or add Cards that we accept at any time without prior notice.

In order to serve in this role, we must enter into agreements with Networks, processors and acquiring banks. The Networks require that any person that signs up for an iTransact Account to use Payment Services (a “Seller”) and processes more than Network specified amounts of Cards sales (“Card Network Specified Amounts”) enter into an agreement directly with iTransact’s acquiring banks. By accepting or otherwise agreeing to these Payment Terms, you agree to the terms and conditions of the Merchant Services Agreement for Sub-Merchants, effective as of the date you process such Card Network Specified Amounts. If you fail to agree to any Merchant Services Agreement for Sub-Merchants, we may suspend or terminate your iTransact Account. Similarly, if American Express considers you to be a high value customer, it may require that you maintain your agreement directly with American Express and designate iTransact as your agent for American Express payments. If that is the case, we will notify you of such requirement.

27-2. Your Authorization

In connection with the Payment Services, you authorize us to act as your agent for the limited purposes of holding, receiving, and disbursing funds on your behalf. Your authorization permits us to generate a paper draft or an electronic funds transfer to settle the proceeds of each Card transaction that you authorize, less any applicable Fees (as defined in Section 4) (“Proceeds”). Your authorizations will remain in full force and effect until your iTransact Account is closed or terminated. Our receipt of transaction funds satisfies your customer’s obligations to make payment to you. We will remit to you funds actually received by us on your behalf, less amounts owed to us, subject to any Chargeback (as defined in Section 18) or Reserve (as defined in Section 14) withheld or applied. This authorization also permits us to debit any of your linked bank accounts at any time for the purposes specified in these Payment Terms and the Terms of Service. You also agree to be bound by any applicable rules of the National Automated Clearing House Association.

27-4. Our Fees

You agree to pay the applicable fees listed on our Fee Schedule (“Fees”) for use of the Payment Services. All Fees are charged at the time we process a transaction and are deducted first from the transferred or collected funds and thereafter from the Balance (as defined in Section 15) in your iTransact Account. Subject to the Terms of Service and these Payment Terms, we reserve the right to change our Fees upon thirty (30) days’ advance notice. You must agree to the change in Fees to continue to use the Payment Services. All Balances and all Fees, charges, and payments collected or paid through the Payment Services are denominated in US dollars.

27-5. Processing Errors

We will attempt to fix processing errors we discover. If the error resulted in your receipt of fewer funds than you were entitled, we will credit your iTransact Account for the difference. If the error results in your receipt of more funds than you were entitled, iTransact will debit the extra funds from your iTransact Account or your linked bank account. We will only correct transactions that you process incorrectly if you notify us of such an error. Your failure to notify us of a processing error within thirty (30) days of when it first appears on your electronic transaction history will be deemed a waiver of any right to amounts owed to you.

27-6. iTransact Account Registration for Payment Services

You must open an iTransact Account to access any Proceeds. You confirm that you are either a legal resident of the United States, a United States citizen, or a business entity authorized to conduct business by the state(s) in which you operate and that you are an authorized signatory for the business you represent. You must use your or your business’ or organization’s true and accurate name when opening a iTransact Account. This name will appear on the credit or debit card statements of your customers for all payments you accept using the Payment Services.

27-7. Underwriting and Identity Verification

iTransact will review the information you submit while signing up for the Payment Services. You authorize iTransact to request verifying information about your business or organization and identity verifying information about you personally, including a consumer report that contains your personal name and address. iTransact may periodically obtain additional reports to

determine whether you continue to meet the requirements for a iTransact Account. You permit iTransact to share information about you and your application (including whether you are approved or declined), and your iTransact Account with your bank or other financial institution, or as otherwise specified in the Privacy Policy. iTransact or its processor and/or acquiring bank may conclude that you will not be permitted to use the Payment Services.

27-8. Requests for Additional Information and Inspection

iTransact may request additional information from you at any time. For example, iTransact may ask you to present documentation with respect to any transaction, documentation about yourself including a government issued identification such as a passport or driver's license, business or organizational documents such as articles of incorporation or organization or a business license, or any other information. iTransact may also ask for permission to inspect your business or organization location. If you refuse any of these requests, your iTransact Account may be suspended or terminated.

27-9. Access to Proceeds

We will settle Proceeds to your verified bank account, subject to the payout schedule described in Section 11. If iTransact is not able to debit or credit the bank account you link to your iTransact Account, that bank account will be de-linked from your iTransact Account. If you do not have an ACH-enabled bank account linked to your iTransact Account, you may request a physical check for Proceeds. Check requests may be subject to a processing fee and an identity verification process. You must request a check or link an ACH-enabled bank account to your iTransact Account in order to receive your Proceeds.

27-10. Right of Setoff

To the extent permitted by applicable law, you grant us a security interest in, as well as a right of setoff against, and assign, convey, deliver, pledge and transfer to us, as security for repayment of any obligations due under these Payment Terms, all of your right, title, and interest in and to all of your accounts with us. You authorize us, without prior notice to you and irrespective of (i) whether we have made demand under these Payment Terms or any other related agreements; and (ii) whether the obligation is contingent, matured or unmatured, to the extent permitted by law, to collect, charge, and/or setoff all sums owing on the indebtedness against any and all such accounts and other obligations, and our option, to administratively freeze or direct any third party bank holding the account to freeze all such accounts to allow us to protect our security interest, collection, charge and setoff rights as provided for in this section.

27-11. Payout Schedule

iTransact will automatically initiate a payout of Proceeds to your valid, linked US bank account at the end of the business day before 5 p.m. PT (8 p.m. ET). If you adjust your business's close of day to a custom time, iTransact will group Proceeds for the 24-hour period preceding your custom time and initiate a payout at the end of that business day. iTransact will initiate a payout of Proceeds received on non-business days before the next business day.

27-12. Availability of Proceeds

We may defer or delay payout or restrict access to your Proceeds at our sole discretion for any reason including but limited to if we need to confirm any transaction activity related to your use of the Services including obtaining additional information about a transaction, conduct any investigation, or resolve any pending or potential dispute related to your use of the Services. We

also may defer payout or restrict access to your Proceeds as necessary to comply with applicable law or court order, or if requested by any governmental entity.

27-13. iTransact Account History

When a payment is made to your iTransact Account, we will update your iTransact Account activity on the website and provide you a transaction confirmation. The confirmation will serve as your receipt. Summaries of your iTransact Account activity, including monthly statements, are available on our website for up to one year of account activity. Except as required by law, you are solely responsible for (a) compiling and retaining permanent records of all transactions and other data associated with your iTransact Account and your use of the Payment Services, and (b) reconciling all transactional information that is associated with your iTransact Account. If you believe that there is an error or unauthorized transaction activity is associated with your iTransact Account, you must contact us immediately.

27-14. Reserve for Holding Funds

We may withhold funds by temporarily suspending or delaying payouts of Proceeds to you and/or designate an amount of funds that you must maintain in your iTransact Accounts or in a separate reserve account (a "Reserve") to secure the performance of your obligations under any agreement between you and iTransact. We may require a Reserve for any reason related to your use of the Services. The Reserve will be in an amount as reasonably determined by us to cover potential losses or other risks to iTransact. The Reserve may be raised, reduced or removed at any time by iTransact, in its sole discretion, based on your payment history, a credit review, the amount of any arbitration award or court judgment against you in iTransact's favor, or otherwise as iTransact or its processor may determine or require. If you do not have sufficient funds in your Reserve, we may fund the Reserve from any funding source associated with your iTransact Accounts, including any funds (a) deposited by you, (b) due to you, or (c) available in your bank account, or other payment instrument registered with us. You grant us a security interest in and lien on any and all funds held in any Reserve and also authorize us to make any withdrawals or debits from the Reserve or any bank account linked to any of your iTransact Accounts, without prior notice to you, to collect amounts that you owe us. You will execute any additional documentation required for us to perfect our security interest in any funds in the Reserve. This security interest survives for as long as we hold funds in your Reserve.

27-15. iTransact Account Balances

While you have funds in your iTransact Account (your "Balance"), your Balance will be co-mingled and held with other participants' funds in one or more pooled accounts at one or more banks by us on your behalf and for the benefit of you and others holding balances (each a "Pooled Account"). We have sole discretion over the establishment and maintenance of any pooled account. We will not voluntarily make funds available to our creditors in the event of bankruptcy or for any other purpose. You will not receive interest or any other earnings on any funds that we handle for you. As consideration for using the Payment Services, you irrevocably assign to us all rights and legal interests to any interest and/or other earnings that may accrue or are attributable to our holding of your Balance in a Pooled Account or Reserve.

27-16. Our Set-off Rights

To the extent permitted by law, we may set off against the Balances for any obligation you owe us under any agreement with iTransact (e.g., Chargebacks or refunds). If you owe us an amount that exceeds your Balance, we may charge or debit a payment instrument registered in your

iTransact Account or any connected iTransact Account (as well as set off against any Balance in any connected iTransact Account). Your failure to fully pay amounts that you owe us on demand will be a breach of these terms. You are liable for any of our costs associated with collection in addition to any amounts owed, including attorneys' fees and expenses, collection agency fees, and any applicable interest.

27-17. Dormant iTransact Accounts

If you do not process payments through your iTransact Account for an extended period of time or have not linked a valid bank account, you may have a Balance that is deemed "unclaimed" or "abandoned" under your state's law. If this occurs, iTransact will provide you with notice as required by applicable law and instructions for how to deposit your Balance. If funds still remain in your iTransact Account, iTransact will escheat such funds as required by applicable law or, as permitted, to iTransact.

27-18. Your Liability for Chargebacks

There may be times when your customer may not be the authorized user of the Card or your customer may otherwise dispute or contest the transaction. In these instances, the amount of a transaction may be reversed or charged back to your iTransact Accounts (a "Chargeback") if the transaction (a) is disputed, (b) is reversed for any reason by the Network, our processor, or a customer or its financial institution, (c) was not authorized or we have any reason to believe that the transaction was not authorized, (d) is allegedly unlawful, suspicious, or in violation of these terms. You agree to comply with the Chargeback process and to the liability associated with such Chargebacks.

27-19. Our Collection Rights for Chargebacks

For any transaction that results in a Chargeback, we may withhold the Chargeback amount in a Reserve. We may recoup the amount of any Chargeback and any associated Fees, fines, or penalties listed in the Fee Schedule or assessed by a Network or our processor from your iTransact Accounts (including any Reserve), any proceeds due to you, or any bank account or other payment instrument linked to any of your iTransact Accounts. If you have pending Chargebacks, we may delay payouts from your iTransact Account. Further, if we reasonably believe that a Chargeback is likely with respect to any transaction, we may withhold the amount of the potential Chargeback from payments otherwise due to you until such time that: (a) a Chargeback is assessed due to a customer complaint, in which case we will retain the funds; (b) the period of time under applicable law or regulation by which your customer may dispute that the transaction has expired; or (c) we determine that a Chargeback on the transaction will not occur. If we are unable to recover funds related to a Chargeback for which you are liable, you agree to pay us the full amount of the Chargeback immediately upon demand. You agree to pay all costs and expenses, including attorneys' fees and other legal expenses, incurred by us for the collection of all amounts unpaid by you.

27-20. Excessive Chargebacks

If we believe you might incur, or you are incurring, an excessive amount of Chargebacks, we may establish additional conditions governing your iTransact Account, including (a) establishing new processing fees, (b) creating a Reserve in an amount reasonably determined by us to cover anticipated Chargebacks and related fees, (c) delaying payouts, or (d) terminating or suspending the Payment Services.

27-21. Contesting Chargebacks

You will assist us when requested, at your expense, to investigate any of your transactions processed through the Payment Services. To that end, you permit us to share information about a Chargeback with the customer, the customer's financial institution, and your financial institution in order to investigate and/or mediate a Chargeback. We will request necessary information from you to contest the Chargeback. If the Chargeback is contested successfully, we will release corresponding reserved funds to your iTransact Account. If a Chargeback dispute is not resolved in your favor by the Network or issuing bank or you choose not to contest the Chargeback, we may recover the Chargeback amount and any associated fees as described in these terms. You acknowledge that your failure to assist us in a timely manner when investigating a transaction, including providing necessary documentation within fifteen (15) days of our request, may result in an irreversible Chargeback. We reserve the right, upon notice to you, to charge a fee for mediating and/or investigating Chargeback disputes.

27-22. Restricted Use

You will not act as a payment facilitator or otherwise resell the Payment Services to any third party. You will not use the Payment Services to handle, process or transmit funds for any third party. You also may not use the Payment Services to process cash advances.

27-23. Unauthorized or Illegal Use

You will only accept Cards for transactions that are allowed by applicable law. We may decide not to authorize or settle any transaction that you submit to us if we believe that the transaction is in violation of these terms or any other agreement with iTransact, or that it exposes you, your customers, other iTransact Sellers, our processors or iTransact to harm. Harm includes fraud and other criminal acts. If we suspect that your iTransact Account has been used for an unauthorized, illegal, or criminal purpose, you give us express authorization to share information about you, your iTransact Account, and any of your transactions with law enforcement and, as deemed necessary by iTransact, our payment processing and financial institution partners.

27-24. Assignment of Receivables

With the exception of your participation in a merchant cash advance or other similar merchant financing programs, or as otherwise required by applicable law, you will not assign Card receivables or proceeds due to you under these terms to any third party.

27-25. Applicable Network Rules

By using the Payment Services, you agree to comply with all applicable bylaws, rules, and regulations set forth by the Networks ("Network Rules"). The Networks amend their rules and regulations from time to time. iTransact may be required to change these terms in connection with amendments to the Network Rules. Significant portions of the Network Rules are available to the public at <https://visa.com>, <https://www.mastercard.com>, and <https://www.americanexpress.com/merchantopguide>. In the event of inconsistency between a Network Rule and these Payment Terms, and except as otherwise agreed between iTransact and the Network, the Network Rule shall apply.

27-26. Taxes

You are responsible for determining any and all taxes assessed, incurred, or required to be collected, paid, or withheld for any reason for your use of the Payment Services ("Taxes"). You

also are solely responsible for collecting, withholding, reporting, and remitting correct Taxes to the appropriate tax authority. We are not obligated to, nor will we determine whether Taxes apply, or calculate, collect, report, or remit any Taxes to any tax authority arising from any transaction. iTransact specifically disclaims any liability for Taxes. If in a given calendar year you process (i) more than \$20,000 in gross amount of payments and (ii) more than 200 payments, iTransact will be required by law to report information about you and your use of the Payment Services to the Internal Revenue Service (“IRS”). For purposes of determining whether you have met the IRS reporting threshold, the gross amount does not include any adjustments for credits, cash equivalents, discount amounts, fees, refunded amounts or any other amounts. Whether you reach \$20,000 in payments or more than 200 payments will be determined by looking at the taxpayer identification number (“TIN”) associated with your iTransact Account, including the applicable entity identification number (“EIN”) or applicable social security number (“SSN”).

27-27. Network Logos and Marks

Your use of Network logos and marks (“Marks”) is governed by the Network Rules; you must familiarize yourself with and comply with these requirements. The Networks are the sole and exclusive owners of their respective Marks. You will not contest the ownership of the Marks, and any Network may prohibit you from using its Marks for any reason and at any time. iTransact may require you to make modifications to your Website or other advertising and signage in order to comply with Network Rules related to the Marks.

27-28. PCI Compliance

If you store, process or transmit cardholder data, you will comply with the applicable Payment Card Industry Data Security Standards (PCI-DSS), as well as any requirements under the Network Rules. You will cooperate in forensic investigations as required by iTransact or its partners. For additional information, including tools to help you assess your compliance, see <http://www.visa.com/cisp> and <https://www.mastercard.com/sdp>.

27-29. Failure to Comply with Network Rules or Security Standards

Notwithstanding Section 34 of these terms or Section 15 of the Terms of Service, you understand that your failure to comply with the Network Rules or the PCI-DSS security standards, including the compromise of any Card information, may result in fines or other losses to iTransact. You will indemnify us and reimburse us immediately for any fines or losses directly or indirectly caused by you and/or your agents’ actions.

27-30. Receipts

You will request that your customer personally sign for all transactions greater than \$25 when your customer is present. You must make a written receipt available to your customers for any transaction greater than \$15. You may give your customers the option to receive or decline a written receipt.

27-31. Receipts for 501(c)(3) Organizations

If you operate a 501(c)(3) organization, you may offer iTransact electronic receipts to your donors as a convenience, by completing the required fields in the “Account” section of our website. You acknowledge that not all payments made to your organization may be eligible for classification as “tax deductible to the extent allowed by law,” and you assume full responsibility

for the classification of your transactions. iTransact specifically disclaims any liability in this regard.

27-32. Customer Service

You are solely responsible for all customer service policies and issues relating to your goods or services, including pricing, order fulfillment, cancellations or no shows by you or a customer, returns, refunds and adjustments, rebates, functionality and warranty, technical support, and feedback concerning experiences with your personnel, policies or processes. In performing customer service, you will always present yourself as a separate entity from us. As between you and us, we are solely responsible for customer service issues relating to any iTransact Account, payment, Card processing, debiting or crediting.

27-33. Refunds and Returns

By accepting Card transactions through the Payment Services, you agree to process returns of, and provide refunds and adjustments for, your goods or services through your iTransact Account in accordance with these Payment Terms and Network Rules. Network Rules require that you disclose your return or cancellation policy to customers at the time of purchase. The amount of the refund/adjustment must include any associated taxes required to be refunded and cannot exceed the amount shown as the total on the original sales data except by the exact amount required to reimburse the customer for postage that the customer paid to return merchandise. If your refund policy prohibits returns or is unsatisfactory to the customer, you may still receive a Chargeback relating to such sales. You can process a refund through your iTransact Account up to sixty (60) days from the day you accepted the payment. If your available iTransact Balance is insufficient to cover the refund, iTransact will withdraw up to the requested refund amount (the sale amount minus the initial transaction fee) from a payment instrument registered with your iTransact Account or any connected iTransact Account and credit it back into your customer's Card. The Fees are also refunded by iTransact, so the full purchase amount is always returned to your customer. iTransact has no obligation to accept any returns of any of your goods or services on your behalf.

27-34. Additional Indemnity

In addition to Section 15 of the Terms of Service, you will indemnify, defend, and hold us and our processors (and our respective employees, directors, agents, affiliates and representatives) harmless from and against any and all claims, costs, losses, damages, judgments, Tax assessments, penalties, interest, and expenses (including reasonable attorneys' fees) arising out of any claim, action, audit, investigation, inquiry, or other proceeding instituted by a person or entity that arises out of or relates to any transaction submitted by you through the Payment Services (including the accuracy of any content or product, service, or transaction information that you provide or any claim or dispute arising out of products or services offered or sold by you).

27-35. Additional Representations, Warranties, and Covenants

In addition to Section 16 of the Terms of Service, with each Card transaction you process through the Payment Services, you represent, warrant and covenant to us that: (a) the Card transaction represents a bona fide sale; (b) the Card transaction accurately describes the goods and/or services provided to the customer; (c) you will fulfill all of your obligations to the customer and will resolve any dispute or complaint directly with the customer; (d) you and the Card transaction comply with all federal, state, and local laws, rules, and regulations applicable to you

and your business, including any applicable tax, wage and hour, and tip laws and regulations; (e) except in the ordinary course of business, you are not submitting a transaction that represents a sale to any principal, partner, proprietor, or owner of your entity; and (f) you are not submitting a transaction involving your own Cards (except for reasonable test swipes).

27-36. Termination of Payment Services

iTransact may Terminate your use of the Payment Services at any time for any reason. Any termination of these terms does not relieve you of obligations to pay Fees or costs accrued prior to the termination, Chargebacks, and any other amounts owed to us as provided in these Payment Terms or the Terms of Service. If your access to Payment Services has been terminated, you may still be permitted to use iTransact's other products, subject to our discretion.

27-37. Payment Services Upon Closure of Your iTransact Account

Closure of your iTransact Account will cancel any pending transactions. Any funds that we are holding in custody for you at the time of closure, less any applicable Fees, will be paid out according to your payout schedule, subject to the other conditions in these Payment Terms. If an investigation is pending at the time you close your iTransact Account, we may hold your funds as described herein. If you are later determined to be entitled to some or all of the funds, we will release those funds to you.

No otherwise applicable SLA, including any remedies hereunder, shall apply with respect to any Excluded Events.

The following Service Level Targets apply to the Services.

AVAILABILITY Service Level Target

For transaction processing services, this SLA provides that the Payment Gateway Application will be available 99.0% of the time (averaged over the calendar month). You will be eligible for service credits as set forth in the following table if this Availability Target is not met due to Outages.

Definitions

“MRFC” Monthly Recurring Fixed Charge means any and all fees You are obligated to pay to Payment Gateway including Your monthly commitment and fixed Service charges.

“Affected Service” means only the portion of a Service actually impacted by the relevant Service Level Target.

“Availability” means the percentage of time during a month in which the Payment Gateway application is not subject to an Outage.

“Latency” means the monthly average time it takes for a transaction to travel through the relevant portion of the Payment Gateway Application excluding transaction settlements and any time waiting for a response from a third party.

“Outage” means any period of at least one minute during which the Payment Gateway Application is completely unavailable or inaccessible for reasons other than an Excluded Event. An Outage begins when Payment Gateway opens the relevant trouble ticket and ends at the earlier of the restoration of the Affected Service or when the ticket is closed. All Outage measurements will be rounded to the nearest one minute increment.

“Payment Gateway Application” means the components owned and operated by Payment Gateway excluding any components that are not owned and operated directly by Payment Gateway.

“Excluded Events” means any event that adversely impacts the Service that is caused by (a) the acts or omissions of You, Your employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Payment Gateway; (c) Force Majeure events; (d) scheduled maintenance, alteration or implementation; (e) any suspension of Service pursuant to the Merchant Service Agreement; or (f) the unavailability of Your required personnel, including as a result of failure to provide Payment Gateway with accurate, current contact information.

Process

You must request any credit due hereunder within 30 days of the conclusion of the month in which it accrues. You waive any right to credits not requested within this 30 day period. Credits will be issued once validated by Payment Gateway and applied toward the invoice which You receive no later than two months following Your credit request. All performance calculations and applicable service credits are based on Payment Gateway records and data.

You will not be eligible to accrue any otherwise applicable service credits: (a) during any period in which You are in violation of the Payment Gateway Merchant Service Agreement or is past due on any amounts owed in connection with the Payment Gateway Services; and (b) before the start of the first full calendar month following the Billing Commencement Date for the Affected Service. You may not carry over to subsequent months any service credits subject to the limits or exclusions of this SLA.

In no event will the credits accrued in a single month exceed, in the aggregate across all service levels and events: thirty percent (30%) of the invoice amount for the Affected Service.

You acknowledge that Payment Gateway manages its throughput in part on the basis of Your utilization of Service and that changes in such utilization may impact Payment Gateway's ability to manage throughput. Therefore, notwithstanding anything else to the contrary, if You significantly change Your utilization of the Service and such change creates a material and adverse impact on the volume through the Payment Gateway Application, as determined by Payment Gateway, Payment Gateway may either modify the applicable charges or terminate the Affected Services.

EXHIBIT A: MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS

This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS ("Agreement") is made among VANTIV, LLC, having its principal office at 8500 Governors Hill Drive, Symmes Township, OH 45249-1384 and its designated Member Bank (collectively "Acquirer") and You ("Sub-merchant") in connection with the agreements including but not limited to Terms of Service and Payment Terms between Sub-merchant and Payroc LLC dba iTransact ("Provider"). Acquirer will provide Sub-merchant with certain payment processing services ("Services") in accordance with the terms of this Agreement. In consideration of Sub-merchant's receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard International Inc. ("MasterCard"), VISA U.S.A. Inc. ("VISA"), Discover ("Discover"), and certain similar entities (collectively, "Associations"), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Agreement, Sub-merchant has fulfilled such requirement. However, Acquirer understands that Sub-merchant may have contracted with Provider to obtain certain processing services and that Provider may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant's obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. Certain Sub-merchant Responsibilities. Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant's agent ("Agents") to comply, with the Association's and other payment network's by-laws, operating regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations or payment networks (collectively "Operating Regulations"). Sub-merchant may review the VISA, MasterCard, and Discover websites for a copy of the Visa, MasterCard and Discover regulations. The websites are: <http://usa.visa.com/merchants/> and <http://www.mastercard.com/us/merchant/> and <http://www.discovernetwork.com/merchants/>. Sub-merchant also agrees to comply with all applicable state, federal, and local laws, rules, and regulations ("Laws"). Without limiting the foregoing, Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act, the US Treasury's Office of Foreign Assets Control (OFAC) and the Federal Trade Commission. For purposes of this section, Agents include, but are not limited to, Sub-merchant's software providers and/or equipment providers.

If appropriately indicated in Sub-merchant's agreement with Provider, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e., consumer credit, consumer debit, and commercial

cards) and must display appropriate signage to indicate the same. Acquirer has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: i) the minimum transaction amount does not differentiate between card issuers; ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand; and iii) the minimum transaction amount does not exceed ten dollars (or any higher amount established by the Federal Reserve). Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, under the following conditions: Sub-merchant is a i) department, agency or instrumentality of the U.S. government; ii) corporation owned or controlled by the U.S. government; or iii) Sub-merchant whose primary business is reflected by one of the following MCCs: 8220, 8244, 8249 –Schools, Trade or Vocational; and the maximum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand.

2. Sub-merchant Prohibitions. Sub-merchant must not i) require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed, ii) add any tax to transactions, unless applicable law expressly requires that a Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), iii) request or use an account number for any purpose other than as payment for its goods or services, iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, v) disburse funds in the form of cash unless Sub-merchant is dispensing funds in the form of travelers checks, TravelMoney cards, or foreign currency (in such case, the transaction amount is limited to the value of the travelers checks, TravelMoney cards, or foreign currency, plus any commission or fee charged by the Sub-merchant), or Sub-merchant is participating in a cash back service, vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, vii) accept a Visa consumer credit card or commercial Visa product issued by a U.S. issuer to collect or refinance an existing debt, viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, or ix) submit a transaction that represents collection of a dishonored check. Sub-merchant further agrees that, under no circumstance, will Sub-merchant store cardholder data in violation of the Laws or the Operating Regulations

including but not limited to the storage of track-2 data. Neither Sub-merchant nor its Agent shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.

3. Settlement. Upon receipt of Sub-merchant's sales data for card transactions, Acquirer will process Sub-merchant's sales data to facilitate the funds transfer between the various Associations and Sub-merchant. After Acquirer receives credit for such sales data, subject to the terms set forth herein, Acquirer will fund Sub-merchant, either directly to the Sub-merchant-Owned Designated Account or through Provider to an account designated by Provider ("Provider Designated Account"), at Acquirer's discretion, for such card transactions. Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to Sub-merchant, and that any dispute regarding the receipt or amount of settlement shall be between Provider and Sub-merchant. Acquirer will debit the Provider Designated Account for funds owed to Acquirer as a result of the Services provided hereunder, provided that Acquirer may also debit Sub-merchant's designated demand deposit account ("Sub-merchant-Owned Designated Account") upon receipt of such account information from Sub-merchant or Provider, or if Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from Sub-merchant or Provider.

4. Term and Termination. This Agreement shall be binding upon Sub-merchant upon Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon Acquirer, on the date Acquirer accepts this Agreement by issuing a merchant identification number, and shall be coterminous with Provider's agreement with Sub-merchant.

Notwithstanding the foregoing, Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) Sub-merchant or Provider fails to pay any amount to Acquirer when due, (ii) in Acquirer's opinion, provision of a service to Sub-merchant or Provider may be a violation of the Operating Regulations or any Laws, (iii) Acquirer believes that Sub-merchant has violated or is likely to violate the Operating Regulations or the Laws, (iv) Acquire determines Sub-merchant poses a financial or regulatory risk to Acquirer or an Association, (v) Acquirer's agreement with Provider terminates, (vi) any Association deregisters Provider, (vii) Acquirer ceases to be a member of the Associations or fails to have the required licenses, or (viii) Acquirer is required to do so by any of the Associations.

5. Limits of Liability. Sub-merchant agrees to provide Acquirer, via a communication with Provider, with written notice of any alleged breach by Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Sub-merchant's sole and exclusive remedy for any and all claims against Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against Provider and not against Acquirer, unless otherwise specifically set forth in the Operating Regulations. In no event shall Acquirer have any liability to Sub-merchant with respect to this Agreement or the Services. Sub-merchant acknowledges Acquirer is only providing this Agreement to assist in Provider's processing relationship with Sub-merchant, that Acquirer is not liable for any action or failure to act by Provider, and that Acquirer shall have no liability whatsoever in connection with any products or services provided to Sub-merchant by Provider. If Provider is unable to provide its services to Sub-merchant in connection with this Agreement and Acquirer elects to provide those services directly, Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current Bank Card Merchant Agreement, which would be provided to Sub-merchant, will govern Acquirer's relationship with Sub-merchant. If Provider subsequently provides its services to Sub-merchant in connection with this Agreement, Acquirer will cease to provide such services after receipt of notice from Provider and this Agreement will govern Acquirer's relationship with Sub-merchant.

6. Miscellaneous. This Agreement is entered into, governed by, and construed pursuant to the laws of the State of Ohio without regard to conflicts of law provisions. This Agreement may not be assigned by Sub-merchant without the prior written consent of Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, Acquirer and Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement "Member Bank" as used in this Agreement shall mean a member of VISA, MasterCard and/or Discover, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, Member Bank shall be Fifth Third Bank, an Ohio Banking Corporation, located in Cincinnati, OH 45263. The Member Bank is a party to this Agreement. The Member Bank may be changed, and its rights and obligations assigned to another party by Acquirer at any time without notice to Sub-merchant.

This Agreement has been accepted by Sub-merchant's authorized officer in accordance with the Provider's Terms of Service and Payment Terms effective as of the date the Sub-Merchant processes the Card Network Specified Amounts.

EXHIBIT B: AMERICAN EXPRESS CARD ACCEPTANCE AND BRAND REQUIREMENTS

1. Defined Terms. As used in this Exhibit B, the following capitalized terms have the following respective meanings:

- "Cardmember" means an individual or entity that has entered into an agreement establishing an American Express Card account, or whose name appears on the American Express Card.
- "Cardmember Information" means any information about Cardmembers and transactions, including, but not limited to, transaction data, and Cardmember name, addresses, American Express Card numbers, and American Express Card Identification Numbers.
- "Establishments" means any or all of your and your affiliates' locations, outlets, websites, online networks, and all other methods for selling goods and services including methods that you adopt in the future.
- "Marks" means names, logos service marks, trademarks, trade names, taglines, or other proprietary designs or designations.
- "Other Payment Products" means any charge, credit, debit, stored value, prepaid, or smart cards, account access devices, or other payment cards, services, or products other than the American Express Card.

2. American Express Card Acceptance. Merchant must accept the American Express Card as payment for goods and services (other than those goods and services prohibited under Section 7 of the Agreement) sold, or (if applicable) for charitable contributions made, at all of Merchant's Establishments, except as expressly permitted by state statute. Merchant is jointly and severally liable for the obligations of Merchant's Establishments under this Agreement.

3. Treatment of the American Express Brand. Except as expressly permitted by applicable law, Merchant must not:

- indicate or imply that Merchant prefers, directly or indirectly, any Other Payment Products over the American Express Card,
- try to dissuade Cardmembers from using the American Express Card,
- criticize or mischaracterize the American Express Card or any American Express services or programs,
- try to persuade or prompt Cardmembers to use any Other Payment Products or any other method of payment (e.g., payment by check),
- impose any restrictions, conditions, disadvantages or fees when the American Express Card is accepted that are not imposed equally on all Other Payment Products, except for electronic funds transfer, or cash and check,
- suggest or require Cardmembers to waive their right to dispute any transaction,
- engage in activities that harm our business or the American Express brand (or both),
- promote any Other Payment Products (except Merchant's own private label card that Merchant issues for use solely at Merchant's Establishments) more actively than Merchant promotes the American Express Card, or
- convert the currency of the original sale transaction to another currency when requesting authorization or submitting transactions (or both).

4. Treatment of the American Express Brand (US). Merchant may offer discounts or in-kind incentives from Merchant's regular prices for payments in cash, ACH funds transfer, check, debit card or credit/charge card, provided that (to the extent required by applicable law): (i) Merchant clearly and conspicuously discloses the terms of the discount or in-kind incentive to Merchant's

customers, (ii) the discount or in-kind incentive is offered to all of Merchant's prospective customers, and (iii) the discount or in-kind incentive does not differentiate on the basis of the issuer or, except as expressly permitted by applicable state statute, Network. The offering of discounts or in-kind incentives in compliance with the terms of this paragraph will not constitute a violation of the provisions set forth above in the paragraph titled, "Treatment of the American Express Brand".

5. Treatment of the American Express Marks. Whenever payment methods are communicated to customers, or when customers ask what payments are accepted, Merchant must indicate Merchant's acceptance of the American Express Card and display the American Express Marks as prominently and in the same manner as any Other Payment Products. Merchant must not use the American Express Marks in any way that injures or diminishes the goodwill associated with the Mark, nor in any way (without the prior written consent of American Express) indicate that American Express endorses Merchant's goods or services. Merchant shall only use the American Express Marks as permitted by the Agreement and shall cease using the American Express Marks upon termination of the Agreement.

6. Treatment of American Express Cardmember Information. Any and all Cardmember Information is confidential and the sole property of the American Express Card issuer, American Express or its affiliates. Except as otherwise specified, Merchant must not disclose Cardmember Information, nor use nor store it, other than to facilitate transactions at Merchant's Establishments in accordance with the Agreement.

EXHIBIT C: ARBITRATION AGREEMENT (AS TO DISPUTES INVOLVING AMERICAN EXPRESS) (U.S.)

In the event that Merchant or iTransact is not able to resolve a "Claim" (as defined in Section 11 below) against American Express, or a claim against iTransact or any other entity that American Express has a right to join, this Exhibit C (this "Arbitration Agreement") explains how Claims may be resolved through arbitration. Merchant or American Express may elect to resolve any Claim by binding individual arbitration. Claims will be decided by a neutral arbitrator. If arbitration is elected by any party, neither Merchant nor iTransact nor American Express will have the right to litigate or have a jury trial on that Claim in court. Further, Merchant, iTransact, and American Express will not have the right to participate in a class action or in a representative capacity or in a group of persons alleged to be similarly situated pertaining to any Claim subject to arbitration under this Arbitration Agreement. Arbitration procedures are generally simpler than the rules in court. An arbitrator's decisions are final and binding, and the arbitrator's final decision on a Claim generally is enforceable as a court order with very limited review by a court. Other rights Merchant, iTransact, or American Express would have in court may also not be available in arbitration.

1. Initiation of Arbitration. Claims may be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration Agreement and the selected organization's rules in effect when the Claim is filed, except where those rules conflict with this Arbitration Agreement. Contact JAMS or AAA to begin an arbitration or for other information. Claims may be referred to another arbitration organization if all parties agree in writing, if American Express selects the organization and Merchant selects the other within 30 days thereafter or if an arbitrator is appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. 1-16 (FAA). Any arbitration hearing will take place in the federal judicial district where Merchant's headquarters is located or New York, NY, at Merchant's election.

2. Limitations on Arbitration. If any party elects to resolve a Claim by arbitration, that Claim will be arbitrated on an individual basis. No Claim is to be arbitrated on a class or purported representative basis or on behalf of the general public or other persons allegedly similarly situated. The arbitrator's authority is limited to Claims between Merchant, iTransact, and American Express. An arbitration award and any judgment confirming it will apply only to the specific case brought by Merchant, iTransact or American Express and cannot be used in any other case except to enforce the award as between Merchant, iTransact and American Express. This prohibition is intended to, and does, preclude Merchant from participating in any action by any trade association or other organization against American Express. Notwithstanding any other provision in this Arbitration Agreement, if any portion of these Limitations on Arbitration is found invalid or unenforceable, then the entire Arbitration Agreement (other than this sentence) will not apply, except that Merchant, iTransact, and American Express do not waive the right to appeal that decision.

3. Previously Filed Claims/No Waiver. Merchant, iTransact, or American Express may elect to arbitrate any Claim that has been filed in court at any time before trial has begun or final judgment has been entered on the Claim. Merchant, iTransact, or American Express may choose to delay enforcing or to not exercise rights under this Arbitration Agreement, including

the right to elect to arbitrate a claim, without waiving the right to exercise or enforce those rights on any other occasion. For the avoidance of any confusion, and not to limit its scope, this section applies to any class-action lawsuit relating to the "Honor All Cards," "non-discrimination," or "no steering" provisions of the American Express Merchant Regulations, or any similar provisions of any prior American Express Card acceptance agreement, that was filed against American Express prior to the Effective Date of the Arbitration Agreement to the extent that such claims are not already subject to arbitration pursuant to a prior agreement between Merchant and American Express.

4. Arbitrator's Authority. The arbitrator will have the power and authority to award any relief that would have been available in court and that is authorized under this Arbitration Agreement. The arbitrator has no power or authority to alter the Agreement or any of its separate provisions, including this Arbitration Agreement.

5. Split Proceedings for Equitable Relief. Merchant, iTransact, or American Express may seek equitable relief in aid of arbitration prior to arbitration on the merits if necessary to preserve the status quo pending completion of the arbitration. This section shall be enforced by any court of competent jurisdiction, and the party seeking enforcement is entitled to seek an award of reasonable attorneys' fees and costs to be paid by the party against whom enforcement is ordered.

6. Small Claims. American Express will not elect arbitration for any Claim Merchant properly files in a small claims court so long as the Claim seeks individual relief only and is pending only in that court.

7. Governing Law/Arbitration Procedures/Entry of Judgment. This Arbitration Agreement is made pursuant to a transaction involving interstate commerce and is governed by the FAA. The arbitrator shall apply New York law and applicable statutes of limitations and honor claims of privilege recognized by law. The arbitrator shall apply the rules of the arbitration organization selected, as applicable to matters relating to evidence and discovery, not federal or any state rules of procedure or evidence, provided that any party may ask the arbitrator to expand discovery by making a written request, to which the other parties will have 15 days to respond before the arbitrator rules on the request. If Merchant's Claim is for \$10,000 or less, Merchant may choose whether the arbitration will be conducted solely based on documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing under the rules of the selected arbitration organization. At the timely request of a party, the arbitrator will provide a written opinion explaining his/her award. The arbitrator's decision will be final and binding, except for any rights of appeal provided by the FAA. Judgment on an award rendered by the arbitrator may be entered in any state or federal court in the federal judicial district where Merchant's headquarters or Merchant's assets are located.

8. Confidentiality. The arbitration proceeding and all information submitted, relating to or presented in connection with or during the proceeding, shall be deemed confidential information not to be disclosed to any person not a party to the arbitration. All communications, whether

written or oral, made in the course of or in connection with the Claim and its resolution, by or on behalf of any party or by the arbitrator or a mediator, including any arbitration award or judgment related thereto, are confidential and inadmissible for any purpose, including impeachment or estoppel, in any other litigation or proceeding; provided, however, that evidence shall not be rendered inadmissible or non-discoverable solely as a result of its use in the arbitration.

9. Costs of Arbitration Proceedings. Merchant will be responsible for paying Merchant's share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees Merchant would have incurred if Merchant had brought a claim in court. American Express will be responsible for any additional arbitration fees. At Merchant's written request, American Express will consider in good faith making a temporary advance of Merchant's share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

10. Additional Arbitration Awards. If the arbitrator rules in Merchant's favor against American Express for an amount greater than any final settlement offer American Express made before arbitration, the arbitrator's award will include: (1) any money to which Merchant is entitled as determined by the arbitrator, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees incurred by Merchant.

11. Definitions. For purposes of this Exhibit C, "Arbitration Agreement (as to Claims involving American Express) (U.S.)" only, (i) American Express includes its affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables, and all agents, directors, and representatives of any of the foregoing, (ii) Merchant includes Merchant's affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables and all agents, directors, and representatives of any of the foregoing, and (iii) Claim means any allegation of an entitlement to relief, whether damages, injunctive or any other form of relief, against American Express or against iTransact or any other entity that American Express has the right to join, including, a transaction using an American Express product or network or regarding an American Express policy or procedure.
